

Dear Parents and Carers,

The weeks are flying by and the summer holidays are almost in sight. We have achieved so much over this half term already with more milestones to come. Fly Up week has been a great success and the children have chosen the new names of their classes.

Our YR/Y1/Y2 class will be known as **Sycamore Class**, Y3/4 will be **Beech Class** and our oldest children in Y5/6 will be **Oak Class**. Our Nursery class will be known as **Saplings Class**. We will now need to get some beautiful signs for the doors.

Here is a roundup of where we are and some information on events taking place over the next few weeks:

Reports:

Your child will be bringing home their school report today. You will also be given a printout of your child's attendance. For your information, by the end of the year, attendance should fall no lower than 95%. You can use the Arbor app to track this. Year 6 children will be on their transition day and so their reports will go out on Tuesday 9th July as this is when we have access to their SATs results so we can send these home in the same envelope.

Second Hand Uniform:

Our second-hand uniform will be on sale in the last week of term if there are any items you are looking for. We are accepting any donations if your child has outgrown items, and they are still in good condition. This really helps other families– as well as the environment. Many thanks

Musician Celebration:

We are aware at school that we have many talented musicians amongst us and we would love to share and celebrate this skill. On **Monday 15th July** we will be holding an informal music assembly in the afternoon where children who can play an instrument are invited to showcase their talents. If your child can play an instrument and would like to play as part of this assembly, can you please let the office know so we can come up with a running order. If your child learns an instrument in school, they will also be invited to join in and their music teacher will help them prepare a piece. When we know how many children would like to take part, we can work out a start time... watch this space. Of course, all parents of children performing are invited to attend.

If your child is interested in learning an instrument, come and enquire at the office and we can send you the details where you can find out more.

PTFA News:

If you are having a clear out, please remember we have a Bag2School collection on **11th July**, please ensure all bags are in the bike shelter by **9am** on this day.

Our very last fundraiser of this school year is the much loved Summer Fete, we have the inflatables and stocks booked! Please come along on **Thursday 18th July** straight from school to celebrate the end of another school year. We will be selling wristbands for £5 for unlimited bounces on the inflatables, and also Krispy Kremes as some of you didn't manage to buy any at the Colour Run. We have lots of games planned and hoping the sun will shine for us. If we could please make a final plea for raffle prizes, unopened bottles and unwanted teddy bears for our tombola's, good quality Bric a Brac and books for our second-hand stalls, we would be so grateful for any donations.

A 100% of the profit made goes back to the school. Over the last few years we have purchased the trim trail, outside gym equipment, summer house and Christmas gifts, and we are now nearing the completion of the new courtyard garden. Your support is invaluable, and we cannot thank you all enough for turning up to our events. Some of our long-standing members are moving on but we hope that the PTFA will continue into next year, we desperately need new members for this to happen, if you are interested please come and speak to us at the Summer Fete.

Time2Move Holiday Club:

We are delighted to be running the Summer Holiday Club at the school again this summer with a whole host of activities on offer – from football to karate and nerf battles, as well as the usual multi-sports. These sessions are always great fun and run from 11am – 3pm for all children from any school aged 4 – 11. Each session is £12 however, if you are in receipt of free school meals then places are free. We have 4 sessions running: 23rd July, 30th July, 20th August and 27th August. Book your place now on the Playwaze website. Places limited so book quickly to avoid disappointment. [Multi sports \(playwaze.com\)](https://www.playwaze.com)

Last Day Arrangements:

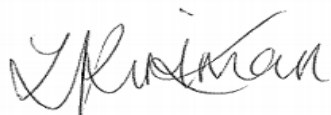

Our last day of term is Friday 19th July this year and as usual, the arrangements at the end of the day will be different.

The Year 6s will host their final assembly at 1:00pm. This will be followed by a cream tea/refreshments for the children to have with their adults until 2:30pm. Children will then have the opportunity to finish off their day and gather all their belongings. At 3:05pm, we ask all parents to wait at the school gates – outside the carpark. The Tintagel Tribe will make a guard of honour through the school carpark, and we will ring the bell and clap our Y6 children out of school. We will then release children from this gate. It will be very busy so can you please ensure you come up to the gate so we can hand your child over to you. Thank you.

I would just like to take this opportunity to thank the whole school tribe so much for your support this year. Our children have really flourished and embraced their learning and the opportunities given to them. It really is a fabulous school to be a part of and I am so proud of the children and staff alike that work so hard to help make the magic happen year in, year out.

I wish you all a truly fabulous summer break when it gets here and look forward to welcoming you back to the tribe on **Wednesday 5th September**.

Kind regards

Lou Kirkman and the team

**Diary dates:**

Summer Term 1 & 2 2024	
Tues 9 th July	Year 6 Bikeability
