

Dear Parents/Carers,

The weeks are flying by and the summer holidays are almost in sight. We have achieved so much over this half term already with more milestones to come. Here is a roundup of where we are and some information on events taking place over the next few weeks:

Staffing:

As you know, we are losing some very key staff at the end of this term that we are so going to miss.

I would like to take this opportunity to thank Ms Thorpe, Mrs Gabriel and Mr Doman for their kindness, resilience and complete dedication to our wonderful tribe. I cannot tell you how much we are going to miss them – but we wish them all well in their different adventures moving forward. We will be giving them a good send off at the end of term.

Reports:

Children from Saplings to Year 5 will be bringing home their school report today. You will also be given a printout of your child's attendance and our term dates for next year. For your information, by the end of the year, attendance should fall no lower than 95%. You can use the Arbor app to track this. Year 6 children will be on their transition days and so their reports will go out on Tuesday 8th July as this is when we have access to their SATs results so we can send these home in the same envelope.

Uniform:

Our second-hand uniform will be available in the last week of term if there are any items you are looking for. We have been through our lost property bucket and returned anything with names on. In September, please do ensure that all items of uniform are named, this makes it much easier to return items to the correct owner. If you need to purchase any new uniform items before the summer, please see Miss Bell in the office so we can sort this for you. All items are payable on Parentpay.

Music Assembly:

You should have received a letter about our Music Celebration Assembly on Monday 14th July at 2:15pm. Please let us know if your child has lessons outside of school and would like to take part. All children in Beech Class will be taking part to showcase their cornet learning this term. We hope to see you there.

Pro20 Football Sessions:

On Tuesday 8th and Wednesday 9th July the team from Pro20 Sports Academy will be joining us in school to hold some football training sessions. This is with a view to starting a weekly after school club from September. Please ensure your child has their PE kit and trainers in school for these days to enable them to take part.

Oak Class End Of Year Performance:

This year, our Oak Class children will be performing the musical – Mary Poppins. They have been working very hard on this – designing their own props, choreographing dance moves and learning the songs. We would be delighted if you would like to come and watch on Wednesday 16th July. Performances are at 2pm and 5pm – this invite extends to our whole school community – come and support these fantastic children as they put on a great show.

Last Day Arrangements:

Our last day of term is Friday 18th July this year and as usual, the arrangements at the end of the day will be different.

The Year 6's will host their final assembly at 1:00pm. This will be followed by a cream tea/refreshment for the children to have with their adults until 2:30pm. Children will then have the opportunity to finish off their day and gather all their belongings.

At 3:05pm, we ask all parents to wait at the school gates – outside the carpark. The Tintagel Tribe will make a guard of honour through the school carpark, and we will ring the bell and clap our Y6 children out of school. We will then release children from this gate. It will be very busy so can you please ensure you come up to the gate so we can hand your child over to you. Thank you.

I would just like to take this opportunity to thank the whole school tribe so much for your support this year. Our children have really flourished and embraced their learning and the opportunities given to them. It really is a fabulous school to be a part of, and I am so proud of the children and staff alike that work so hard to help make the magic happen year in, year out.

I wish you all a truly fabulous summer break when it gets here and look forward to welcoming you back to the tribe on **Thursday 4th September**.

Kind regards

Lou Kirkman and the team

Diary dates:
