

Tintagel Primary School End of Term Round Up

May 2023

See this newsletter and more on our school website www.tintagelschool.org

Dear Parents and Carers

I cannot believe we are in the last week of another busy half term and that we will be breaking up on Friday. I just wanted to write with a termly round up and some key dates for your diaries.

The children have loved the Enquiry this half term around **Kindness**, and there has been lots of learning both inside and out. We have seen children off on visits to Boscastle, Black Rock, Newquay and London to enhance their understanding and help bring their learning experiences to life. There are more opportunities coming up next half term, including Class 3 and 4 surfing, a trip to Charlestown and Healthy Active Living Week. The summer term is always packed full of exciting plans. There will be letters sent to relevant classes next term.

Y6 Residential

Last week, some of our Y6 children represented our Tribe on residential in London – and what a time they had! They gained wonderful experiences and made some memories to last a lifetime. They even saw the King as he drove past! Thank you so much to the staff who supported them whilst away and for helping to make the trip so special.

Uniform

As usual in the last week of term, the second-hand uniform shop will be open this week in case you need to stock up on items. Can we please ask that all items of school uniform – particularly jumpers, have a name in as we often have a pile left on the field at the end of lunchtime that takes us time to get back to the rightful owner. Can we also remind you that children should be wearing black shoes and have a PE kit in school. As the weather continues to improve, we ask that all children bring a named hat and water bottle into school each day. Thank you.

Colour Run

The PTFA are excited about hosting our first 'Colour Burst' run on Friday, starting after school on the field. We should have the sponsor money in by now, but it isn't too late to buy tickets online if you would like to run alongside your child (<https://buytickets.at/tintagelptfa/879950>). It should be lots of fun and we hope to see you there. Please remember to wear old clothes and trainers that you do not mind getting stained. Goggles or sunglasses are a must.

SRE

Sex and Relationships Education is a compulsory aspect of the curriculum and so will be delivered next half term. There are very specific objectives taught to particular age groups, so children are taught this subject by year group and not class to ensure the

May 2023

learning is age appropriate. Your child's class teacher will be sending a letter out soon that outlines the objectives that we are required to deliver. Any questions or queries,

please speak to your child's teacher in the first instance.

Open Classrooms

In our commitment to sharing our learning with you, we will be carrying out our open classroom afternoons after school this week (see dates below). Please do come along and see what your child has achieved. We know they love sharing this with you.

Maths Open Afternoon

I'm sure many of you will remember Miss Court collecting Parent Voice around helping your child with Maths at the end of last term. Thank you for your responses, it has helped us gauge how parents feel about how they can best support their children at home. On the back of this, we would love to invite you into school on **Wednesday 7th June at 2pm**, where Miss Court will speak to you briefly about how the Maths Curriculum is taught, and then give you an opportunity to visit the classrooms to come and join in with some Maths fun. More details to follow ...

We wish all our families a restful half term and hope the sun shines. Don't forget, when we come back, it is a 4-day week due to an INSET day on **Friday 9th June**.

Kind regards

A handwritten signature in black ink, which appears to read 'Lou Kirkman'.

Lou Kirkman and the team

Diary dates:

Summer Term 1 2023	
Monday 22 nd May @ 3:15-3:30pm	Class 1 & 2 Open Classrooms
