

Welcome back to the second half of the Spring Term. It has already been a rather busy week with Class 4 venturing off to watch the magnificent Royal Shakespeare Company perform Romeo and Juliet this week, as well as all classes launching into their new enquiries with successful immersion days.

This half term, our new value is **RESPONSIBILITY** and our Enquiry question across the school is, '**How are we looking after our world for future generations?**' We know this is something our children are really passionate about and we hope to build their curiosity as well as awe and wonder for the world around them.

Please look out for the Enquiry Webs that will be sent to you or check out the website so you can see the learning that your child will cover this term.

World Book Day:

This year we will be celebrating World Book Day on Thursday 7th March. The children are invited to bring in a decorated pebble/stone/slate to celebrate their favourite book. There will be information on Seesaw for you with some photos for inspiration. As you know, reading is held in high esteem at our school and hope all children will take part. Please look out for a World Book Day voucher that your child will be bringing home on this day.

Parent Consultations:

This term we will be holding our parent meetings in the week beginning the 18th March. This will be an opportunity for you to have a short meeting with your child's class teacher to discuss progress. We encourage you to bring your child to this appointment so it is a discussion that they are part of and can see that we are a partnership all working to support them. Booking will be available on Arbor from the end of next week. If these dates/times don't suit, please contact the office to arrange an alternative appointment.

Open Classrooms:

During the last week of term, we would love to invite you in to celebrate the work that your child has completed. We held these afternoons last year and know they were valued by many. All Classes will be holding this event on Thursday 28th March at 3:15pm. It is a wonderful opportunity for you to see the learning environment and celebrate all they have learnt.

Nursery Open Afternoon:

With new funding opportunities being allocated to parents for children aged 2 and above, we will be opening our Nursery for an Open Afternoon on Tuesday 5th March from 3:30 – 4:30pm. Come and see the lovely learning environment, our new sleep room and ask any questions you may have. If your child is already in the Nursey and you are thinking of upping your hours, do let us know so we can try and accommodate you as there are days with limited spaces. Please help us to spread the word to anyone with nursery aged children.

Comic Relief:

Red Nose Day is back for 2024 on Friday 15th March and for this we will be holding a 'Non School Uniform Day'. A collection box will be available in the car park in the morning for any donations.

PTFA News:

Just a reminder that we have our Quiz Night on Saturday 16th March at the Crossbow. We have 1 table left for a team of 4. We would be very grateful for any donations for our bottle raffle, if you can spare anything please drop them into the office.

We are very pleased to confirm that we have some dates for your diary. We will be holding our sponsored Colour burst run on Friday 24th May and our Summer Fete with inflatables will be on Thursday 18th July.

As always, please do contact us if you have any worries, concerns or suggestions.

Kind regards

Lou Kirkman and the team
